Introduction

We are one of the leading manufacturers and exporter of fine quality Sheep & Goat Finished Leather - suitable for Shoes, Garments, Leather Goods and Dress Gloves - based out of Vaniyambadi, Tamil Nadu - India.

Afra import and Exports was established in the year 1992 with a vision to cater to the requirements of Leathers Garments , Leather Goods & Shoes manufacturers in India. It has created a niche of its own in Making Sheep & Goat Leathers. As within a short span of time, we has come to occupy a prominent place in the Indian Leather Industry for its excellent quality, consistency, commitment and workmanship.

Our products are known for durability and superior quality. Range of finished leather are available in various designs and patterns. We endeavor to make our customers happy. We have a passion for quality and an insatiable quest for perfection. We are well appreciated for innovative and creative designs and styles. We have broadened our horizon by importing various materials like raw pickles, chemicals and machineries for the domestic market. In-house R&D, tracking of fashion trends and relentless efforts towards new developments and superior quality in terms of feel, comfort and fashion have paid rich dividends in securing a niche for our products worldwide.

Our Vision

WE ARE CONSTANTLY FOCUSING ON INNOVATION

Consistency in production, reliability and uncompromising commitment to quality standards and on time delivery everytime. And We believe that we need to own and control the primary technologies behind the products that we make.

Our Mission

**TO BECOME THE NO.1 IN THE FINISHED LEATHER
SEGMENT CATEGORY IN INDIA.**

To become the premier manufacturing organization in the leather industry, gaining market competitiveness and diversifying into value added leather with clean, well maintained and eco - friendly environment.

Our Tannery

OUR CURRENT CAPACITY IS 6 MILLION SQ/FT. OF LEATHERS PER ANNUM .

We have a sophisticated tannery where we have substantially invested in Italian manufacturing facilities and technology for the curing, soaking, de-hairing, tanning, splitting, sorting, dyeing, drying, and finishing of the leather

Quality

CONSISTENCY IN PRODUCTION, RELIABILITY AND UNCOMPROMISING COMMITMENT TO QUALITY STANDARDS

A Team of skilled professionals work in tune with one another to meet the requirement of our customers. Our analysts test the leather on various parameters to ensure their adherence to set standards and quality norms.

Auditing

we periodically inspect the machinery and review technology so that there is no interruption in conducting the operations. In addition, Currently we are working with Leather Working Group UK, to be Audited Our tannery as Gold Rated

R & D

A DEDICATED R&D LAB AT OUR TANNERY CONSTANTLY RESEARCHES FOR THE LATEST TRENDS AND COLORS IN LEATHER.
